

RESEARCH VOLUNTEERS NEEDED

Georgia Tech researchers are looking for adults 18-89 years old to evaluate an innovative smart bathroom system that will facilitate safe transfers

Study Expectations: The study will involve:

- Measurements of your gait, balance, and strength
- Evaluation of a smart bathroom system by completing a series of simulated transfers (clothing on) on and off toilet and/or in and out of tub/shower

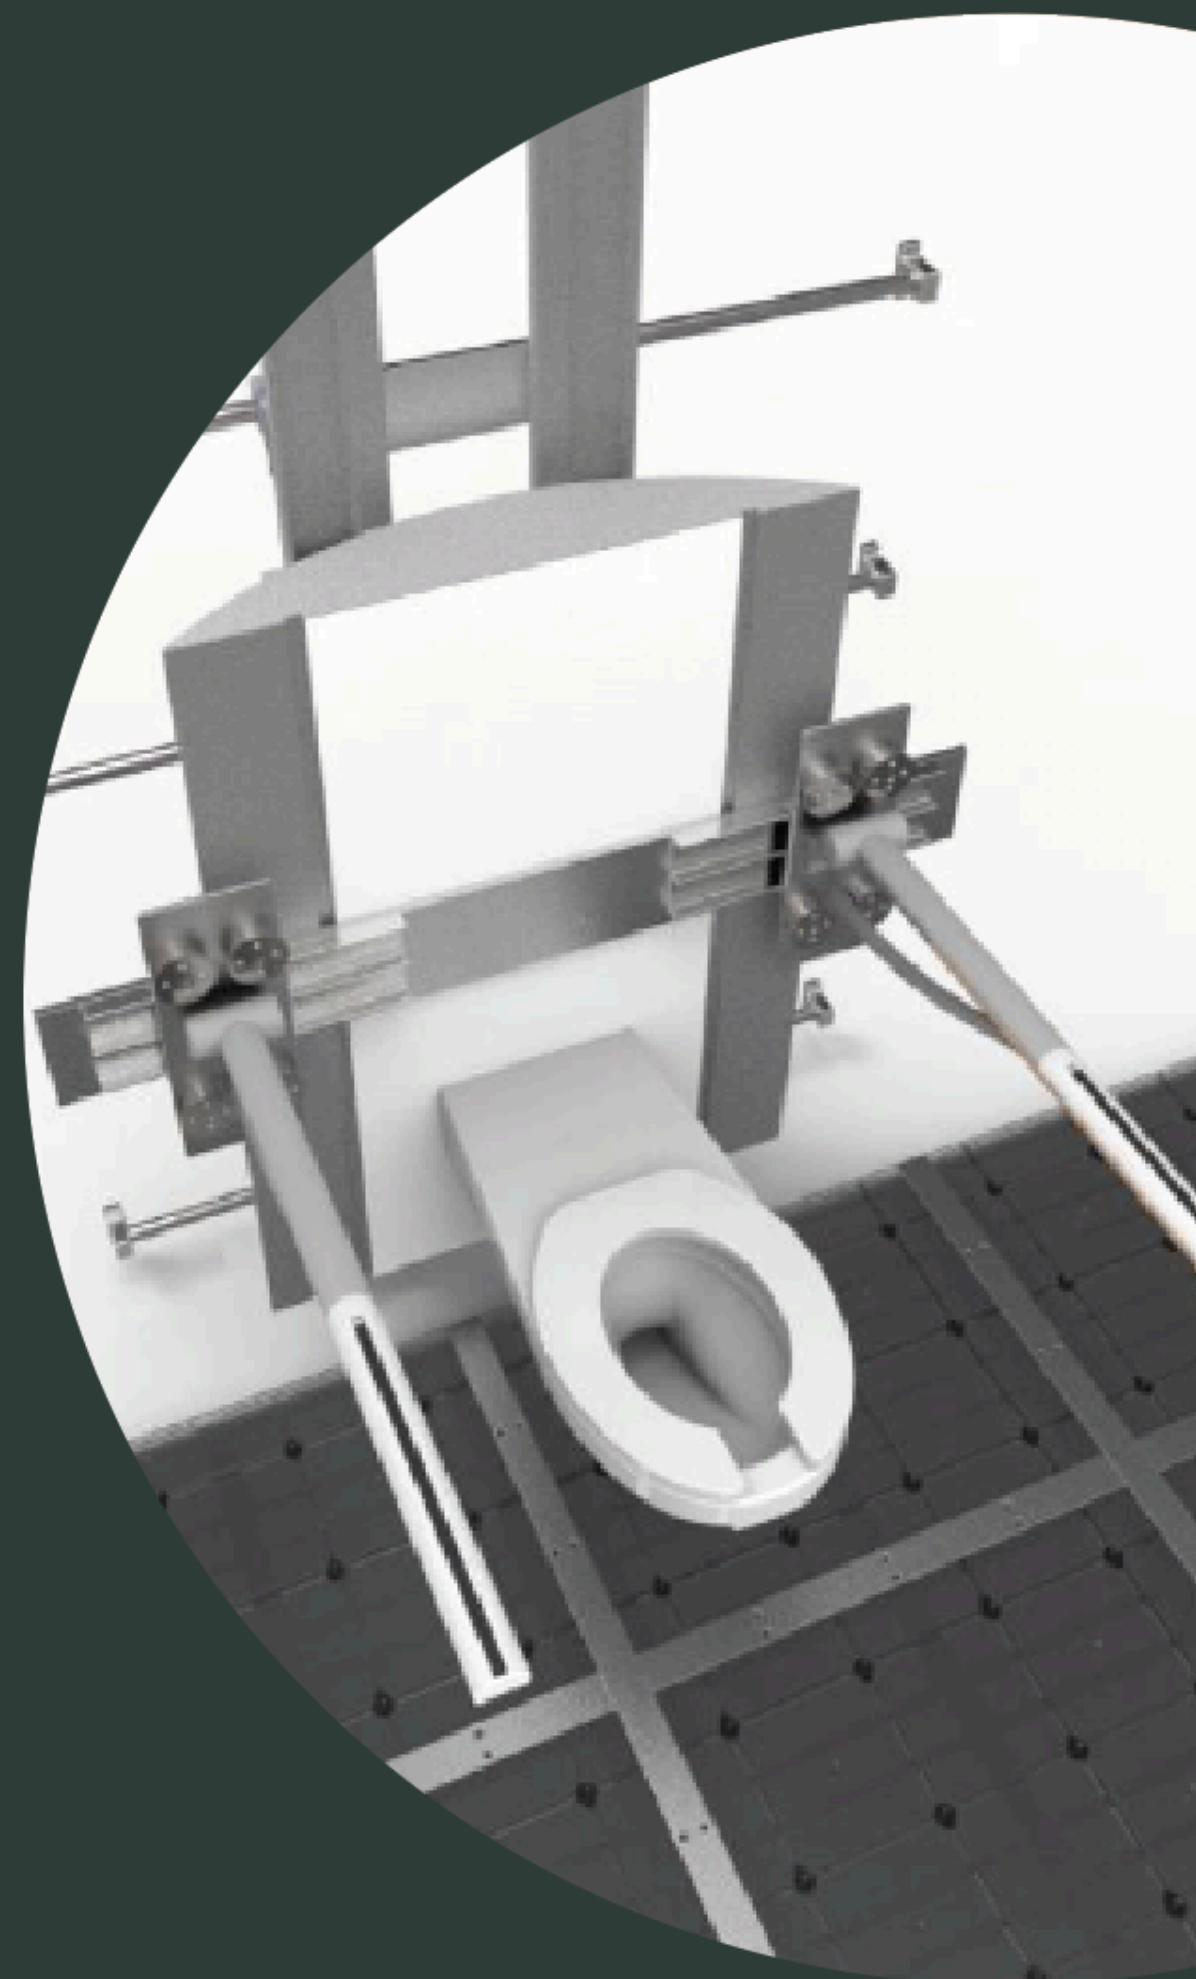

Inclusion Criteria : Individuals aged 18-89 years, who speak English, able to walk 20 feet independently (e.g. across a large room at home) with or without a walking aid (i.e. a cane or walker), able to sit down on a chair and stand up with or without assistive device(s), WITHOUT caregiver assistance.

Study Location

GA Tech Aware Home
479 10th St. NW., Atlanta, GA, 30318.

Free accessible parking available on site

Compensation: \$50 for one required session (2 hr).
